

Welcome to your brand new hospital park & ride 300, providing a fast, frequent connection between the Royal Berkshire Hospital and Meroeak and Thames Valley park & ride sites. All journeys to & from Meroeak also call at Christchurch Green (for University of Reading). Buses run every 20 minutes during peak times and every 30 minutes during the rest of the day.

These buses use compressed natural gas, emitting virtually zero hydrocarbons, particulates (soot, to you and me) and carbon, reducing the amount of nitrogen oxides (NOx) put out into the air.

On this side of the leaflet, you will find maps showing the locations of Meroeak and Thames Valley park&ride sites, and a timetable.

On the other side, there are handy maps showing where to get on and off at Royal Berkshire Hospital and Christchurch Green, plus details of our great value fares.
