welcome on board

This guide tells you everything you need to know about buses to & from Langtree School. Our range of **Boost** fares for young people makes it easy to work out which is the right ticket for you, and you can use our wider network of buses at no extra cost.

great features

we use a fleet of modern buses, most are fitted with free WiFi and USB charging, so you can stay online on the move.

on most dedicated school routes we use regular drivers – they're all Disclosure & Barring Service (DBS) checked for your peace of mind, and most of our buses have CCTV.

we have a great range of passes for individual terms or the whole year, so there's no need for your child to carry cash.

all buses have GPS on-board, so you can track the bus live on an interactive map and see when it's due to arrive.
